New 2020 Census Taglines and Logos Available

The U.S. Census Bureau completed the release of its 2020 Census platform (tagline and logo) for 12 languages in addition to English. The “[Shape your future. START HERE.](#)” platform is incorporated across Census Bureau outreach and partnership awareness materials and will become more visible as the 2020 Census advertising campaign launches in January 2020. The creative platform will help guide outreach efforts planned by states, local communities and nonprofit organizations.

These 12 languages match the [non-English languages](#) supported for the 2020 Census internet and phone response options. English and these 12 languages, cover over 99% of all households in the country. In addition, a new logo was released today to support outreach to the Native Hawaiian Pacific Islander population.
